Dick Lee's

# Fried Rice Paradise

The Makan Party

## Menu

A four-course celebration of Singapore's iconic flavours - each dish served two ways by sisters Nancy and Fancy.

One pays homage to tradition, the other pushes boundaries. Classic or contemporary, which will steal your heart (and taste buds)?

Seafood, Chicken and Vegetarian options available.

# Satay
## The Welcome Bite

### Fancy's Twist

The world-famous **chicken skewers** take on a whole new shape, elevated for a First Class experience.

Chicken skewers are 100% plant-based

---

### Nancy's Signature

Traditionally **grilled chicken skewers** with peanut sauce in the way you know and love – it's comfort on a stick.

Traditionally grilled plant-based chicken skewers and mushrooms

Vegetarian option

The food is not halal-certified and does not include pork or lard.
Please note that the menu includes nuts, dairy, and alliums. The seafood menu also contains shellfish. We regret that we are unable to accommodate other specific dietary restrictions.

# Laksa
## The Comfort Bowl

### Fancy's Twist

Everything you love about laksa, engineered with flair and served with **prawns and scallop cubes** or **succulent chicken bites.** Light where you expect heavy, it'll leave you wondering how she did it!

Served with umami-packed tempeh

---

### Nancy's Signature

A secret recipe of **fish mousse noodle with prawns and scallops** or **chicken mousse noodle with chicken tender bites** passed down through the generations, in a soul-soothing coconut curry broth. The kind of laksa that makes you feel you're home, truly.

Served with pan-seared tempeh

Vegetarian option

The food is not halal-certified and does not include pork or lard.
Please note that the menu includes nuts, dairy, and alliums. The seafood menu also contains shellfish. We regret that we are unable to accommodate other specific dietary restrictions.

Sambal Fried Rice

# Sambal Fried Rice

## Straight from the Family Wok

### Fancy's Twist

A medley of grains, sambal with a **flourish from the seas** or **chicken, served two ways.** This is fried rice with lots of fire, drama and crackle.

Served with vegan beef and crispy soy beancurd

---

### Nancy's Signature

Fiery sambal wok-tossed with fluffy pearl rice, succulent seafood mix or crispy chicken and lap cheong - that craveable balance of heat, smoke, and comfort you grew up with.

Served with vegan beef and tau kwa

Vegetarian option

The food is not halal-certified and does not include pork or lard.
Please note that the menu includes nuts, dairy, and alliums. The seafood menu also contains shellfish. We regret that we are unable to accommodate other specific dietary restrictions.

# Ondeh-Ondeh
## The Sweet Finale

### Fancy's Twist

From hawker to haute – ondeh ondeh with contrasting and unexpected textures. Flavours you know, now dressed to impress.

---

### Nancy's Signature

Soft pandan glutinous rice balls filled with molten gula melaka and rolled in grated coconut - chewy, oozy, and full of old-school charm.

Vegetarian option

The food is not halal-certified and does not include pork or lard.
Please note that the menu includes nuts, dairy, and alliums. The seafood menu also contains shellfish. We regret that we are unable to accommodate other specific dietary restrictions.
