Managing Director's Message

Welcome to this year's Theatre Ball by SRT.

The Theatre Ball is our most important fundraising event, supporting the work we do both on and off stage. It is also a moment to come together, celebrate theatre and create lasting memories. That is what theatre is about: sharing an experience that may provoke thought, make us laugh and inspire us to grow as human beings.

In a world marred by political and social unrest, theatre is a space for dialogue, inspiration or simply a few hours of respite from everyday challenges. The stories we tell matter. From the message of sisterhood in the wildly successful *Legally Blonde – The Musical* to the call to be courageous in our most recent play for young audiences, *Junior and the Holiday Magic*, we choose plays that matter.

Producing theatre and learning programmes for over 100,000 people every year is a massive task, and one we are proud to continue. But the cost of producing theatre in Singapore is rising sharply, and we see the impact across our industry. With your support, we can and must continue to grow and reach new audiences.

Tonight's funds will support our work on stage and in schools and the community through SRT's Centre for Creative Learning, where Theatre Skills become Life Skills. They will help us expand our impact while maintaining the high quality we refuse to compromise on. They will also go towards SRT's Student Education Fund, bringing theatre education to less privileged children and helping them build the essential skills to navigate today's volatile world. None of this is possible without your generosity and support.

I would like to extend my heartfelt thanks to the Theatre Ball 2026 Committee, led by Chairperson Jin Lu, together with Ho Kheng Lian, Olga Iserlis and Lisa Enckell, for their dedication, generosity and invaluable support in making this evening possible.

A heartfelt thank you to our hardworking team and our supportive, visionary Board. Thank you to our sponsors, who stand by us throughout the year, and to our longstanding and new partners, who have made tonight possible. We extend our deepest gratitude to Mett Hotel for their incredible support. And most of all, thank YOU for being here and believing in our work.

Theatre Ball Committee Chair's Message

Dear Esteemed Guests, Patrons, Artists, and Friends of Singapore Repertory Theatre,

It is my great pleasure to welcome you to the Theatre Ball by SRT. As Chair of the Theatre Ball Committee, I am honoured to be part of an evening that celebrates not only the magic of live theatre, but also the extraordinary community of people who make it possible.

Theatre has a remarkable ability to move us, challenge our perspectives and connect us through stories that transcend our differences. But its true power extends far beyond the stage. It lies in the imagination of our artists, the dedication of those working behind the scenes, and the opportunities we create for future generations to discover their own voices through the arts.

Tonight is both a celebration and a reminder of what we can achieve together. Through your generosity, SRT can continue to bring exceptional stories to life, nurture emerging talent and make theatre accessible to children and young people who might otherwise never experience its transformative power. Your support does more than sustain productions. It opens doors, creates possibilities and helps shape the future of theatre in Singapore.

I am deeply grateful to our patrons, sponsors, supporters, artists and partners for their generosity and belief in SRT's mission. My heartfelt thanks also go to my fellow committee members and everyone who has worked tirelessly to bring this evening to life. Your dedication, creativity and enthusiasm have made this celebration possible.

Above all, thank you for being here and for sharing in our belief that the arts matter. As we celebrate tonight, may we be reminded that the greatest stories are not only those we witness on stage, but also those we help make possible for others.

With warmest wishes and heartfelt gratitude,

Jin Lu

WE ARE SRT

We tell unforgettable stories, with scale and style.

We do this for everyone. Because we believe theatre is for everyone. For once a year, or once a week. Whether you're eight years old, or eighty.

So there's no one type of SRT performance.

One day, it's a show the whole world is talking about. The next, a show they will be talking about. It's an original musical, or reimagined classic. A child's first visit. A date night. The start of an evening you'll never forget.

What unites it all?

A passion for performance. A commitment to using theatre to teach vital, lifelong skills in our community. And the guarantee that when you spend time with SRT, the experience will be unmissable, unforgettable.

Everyone's Welcome.

BENEFICIARY TESTIMONIALS

This opportunity provided valuable exposure, not only in enjoying the magic of theatre, but also in raising awareness of the possibilities for children with special educational needs to participate meaningfully in such cultural experiences. The play was highly interactive and engaging. We were especially thankful for being thoughtfully seated in an accessible area. Thank you for creating such an inclusive and joyful experience.

- THK EIPIC Centre @ Woodlands, Fantastic Mr Fox

As a beneficiary, I truly feel the love and care from the community. I'm grateful that my children can be exposed to enriching experiences like this play —opportunities I might not have been able to provide at this season of life. Because of your kindness, my kids are not shortchanged, and they get to enjoy moments that inspire and broaden their world. Thank you for making a difference in our lives.

- ExtraOrdinary People, The Three Billy Goats Gruff

We're happy to share that the experience was very meaningful for our children, many of whom come from low-income families and had the opportunity to watch a theatre performance for the very first time. The accompanying booklet was especially helpful in reinforcing their learning. Overall, the experience not only provided enjoyment but also encouraged learning, reflection, and appreciation for theatre. The children have also expressed that they look forward to attending more such plays in the future.
